Re: *Ariel Zuckerman v. GW Acquisition LLC, et al.*, No. 1:20-cv-08742-VEC

Dear Judge Caproni:

We represent Plaintiff in the above-referenced action and write, pursuant to the Court's April 8, 2021 Order (*see* ECF No. 64), to respectfully renew Plaintiff's request to adjourn the parties' conference on April 13, 2021 at 2:00 p.m. *See* ECF No. 62.

As noted in our previous submission, Plaintiff's counsel is not available from April 13 through April 15. Specifically, I will be receiving my second dose of the COVID-19 vaccine on April 13 at 9:15 a.m. Because I suffered significant side effects after the first dose, I am expecting even stronger side effects after the second that may last through April 14. On April 15, I am scheduled to appear for an initial conference in another matter (*see Goins v. BB&T Sec., LLC, et al.*, No. 1:20-cv-09891-PGG-JLC (S.D.N.Y.), ECF No. 23, followed by a mediation that will likely last through the close of business.

Ms. Huot—the lead attorney on this matter, and the only other attorney for Plaintiff who has participated in the parties' negotiations regarding the ESI protocol to be discussed during the conference—will be undergoing and recovering from a medical procedure she would prefer not to disclose in a public filing. Ms. Huot is available to call the Court to advise as to the nature of the procedure if Your Honor so requires.

After conferring with Defendants' counsel regarding their availability, Plaintiff respectfully proposes that the conference be adjourned to any of the following dates, at any time that is convenient for the Court: April 16, 19, 27, or 30. This is the second request for an adjournment of this conference. Defendants consent to this request.

We thank the Court for its time and attention to this matter.

Respectfully submitted,
